Renewal fee of six times the monthly fee applies if membership is discontinued at any time. Monthly fee amount increases each January 1. Memberships are non-refundable and non-transferable. Each member is responsible for scheduling and completing their appointments each year. Appointments may be scheduled by phone, by text, or at www.oremdmd.com. Appointment cancelation fees still apply.

Membership Exclusion: Unfortunately, in the event of active periodontal disease, routine cleanings and exams can not be performed until the necessary restorative perio procedures are completed. In this case, the 10% discount will be applied toward the prescribed periodontal procedures and any membership plan fees will be credited to your account.
